Utility bills include Water, Sewer, & Garbage (if serviced by Basin) services and are billed through the last day of the month. Payment is due before 5:00 PM on the 20th of each month. If the 20th falls on a holiday or weekend, payment is due by 5:00 PM on the first workday following the holiday or weekend. All past due accounts will be issued a red delinquency notice charging an \$8.25 late fee. The notice states that if complete payment is not received on or before the due date on the delinquency notice, services will be disconnected for non-payment and an additional charge of \$20.00 will be added to the bill upon disconnection. All charges must be paid in full before utility services will be reconnected.

I hereby agree that I will notify the City of Moxee before I vacate the premises and I will pay all unpaid balances on this account.
